

**Back to School**  
**Sunday School**  
**Begins September 7!**

We look forward to seeing our children and families as we begin another wonderful year! We're excited to welcome children ages **3 years through 6th grade** to Sunday School for a fun morning of learning, growing, and sharing in faith.

Sunday School is offered **each Sunday during the school year**, providing an educational program that is not only meaningful but fun — with extra surprises along the way! Class starts immediately following communion, children will meet their teachers at the back of the church, and will finish at **11:45 a.m.**

**Choirs Move into Action!**

Choir rehearsals will begin on **Thursday, September 11**, bells at 6:00 and vocal choir at 7:00. We are always happy to have new people participate in making music — please join us!
